# A Brief Overview of the Book of Genesis

- Hebrew Name - Bereshith "in the beginning"
- Greek Name - Genesis "origination"
- Author - Moses
- Date - From 4004 to 1635 BC Approximately
- Theme - The Founding of the Hebrew Nation
- Types and Shadows - In Genesis Jesus is the seed of the woman

I like the commentator Matthew Henry's thoughts on the Book of Genesis.

"We have before us the first and longest of those five books, which we call Genesis, written, some think, when Moses was in Midian, for the instruction and comfort of his suffering brethren in Egypt: I rather think he wrote it in the wilderness, after he had been in the mount with God, where, probably, he received full and particular instructions for the writing of it. And, as he framed the tabernacle, so he did the more excellent and durable fabric of this book, exactly according to the pattern shown him in the mount, into which it is better to resolve the certainty of the things herein contained than into any tradition which possibly might be handed down from Adam to Methuselah, from him to Shem, from him to Abraham, and so to the family of Jacob. Genesis is a name borrowed from the Greek. It signifies the original, or generation: fitly is this book so called, for it is a history of originals-the creation of the world, the entrance of sin and death into it, the invention of arts, the rise of nations, and especially the planting of the church, and the state of it in its early days. It is also a history of generations-the generations of Adam, Noah, Abraham, etc., not endless, but useful genealogies. The beginning of the New Testament is called Genesis too (Mt. 1:1), Biblos geneseous, the book of the genesis, or generation, of Jesus Christ. Blessed be God for that Book which shows us our remedy, as this opens our wound. Lord, open our eyes, that we may see the wondrous things both of thy law and gospel!"<sup>1</sup>

# **Genesis is divided into 5 parts:**

- "Creation (Genesis 1:1 - 2:25)
- The fall and redemption (Genesis 3:1-4; 3:7).
- The Diverse Seeds, Cain and Seth, to the Flood (Genesis 4:8 - 7:24).
- The Flood to Babel (Genesis 8:1 - 11:9).
- The call of Abram to the death of Joseph (Genesis 11:10 - 50:26)

Genesis is the title given to the first book of Moses by its Greek translators. The word Genesis means "origin" or "beginning". Genesis truly is a book of origins, and beginnings. Genesis describes the beginning of man, the universe in which he lives and has been given dominion over. Genesis also describes the beginning of sin, the beginning of God's plan of redemption, and the beginning of the Hebrew nation through whom God's redemption, through the Messiah, was to come.

The book of Genesis, together with the first few chapters of Exodus, describes the events which led to God's establishment of His theocracy with the people of Israel.

There are two main themes in this book:

- People of God
- Promised Land

Genesis has a clear message which is both special to Israel and universal to all mankind. It embraces all of mankind in every nation as it speaks of God as the Lord of all men in the human race. Yet, the Book of Genesis is also an introduction to Jewish history and it makes the universal interest less important to the special message about the Jewish people. The design of Genesis is to show how God first revealed himself to the patriarchs of the Hebrew race in order to make of them a people who would serve as his witnesses to the rest of the world. He led Abraham to the Promised Land which happened to be in the exact center of the ancient world. These two essential points are the inner principles of unity which persist throughout the entire book.”<sup>2</sup>

# **Now the real work begins as we study the Book of beginnings and the foundational truths of God's word.**

Please keep in mind this is not an exhaustive study of Genesis. It is a foundational study with the goal of developing a basic understanding and a desire for a more in-depth study as God allows you.

**In your individual study of the Book of Genesis read the related verses and answer the question, or as a group discuss the questions. The objective of the course is to help you develop an understanding of the Holy Bible.**

- What does the scripture tell us God created on each of the following days?

  - 3rd day (1:9-13)
  - 4th day (1:14-19)

    - On this day God created living things that would \_\_\_\_\_.
    - He created Man in whose image? (1:26)
    - Man would do what?
  - What was the one common wording at the end of each day? “And God saw \_\_\_\_\_.”
- What did God do on the seventh day? (2:1-3)
  - What did he say about the 7<sup>th</sup> day?

## In the Garden of Eden (2:4-17)

- How was man formed?
  - Interesting point here, Man was formed using the Hebrew words defined in Strong Concordance: "*yâtsar, yâw-tsar'*; probably identical with (through the squeezing into shape); to mold into a form; especially as a potter; figuratively, to determine (i.e. form a resolution):—~~×~~ earthen, fashion, form, frame, make(-r), potter, purpose."<sup>4</sup>
  - We were formed the same way a potter makes a clay pot!
- What did God do to bring Adam to life?
- How does God describe the Garden?
- What did God use from Adam's body to make the women?
- What did God call woman in relationship to man (His what?)

## Temptation and fall (Ch.3)

- Who was tempted first in the Garden? (Reference back to 2:16)
- What did God tell Adam & Eve not to do in the Garden?
- What did the serpent tell Eve when he tempted her to eat the fruit?
- How did he change what God said?

Here is personal question ... Why do you think Adam ate the fruit, even knowing there were consequences?

- How different is he than any of us today?
- What did God say would happen if they ate from the tree in the Middle of the Garden?

---

<sup>4</sup> Strong Concordance; <https://www.blueletterbible.org/lang/lexicon/lexicon.cfm?Strongs=H3335&t=KJV>

- What is the difference between what God said about the tree and what the serpent said about the tree?
- How did the serpent change God's word to Eve?
- What did Adam and Eve do when they heard God in the Garden?
- What did God do to them because of their sin? (What did God kill?)
  - This is the first recorded death in the scripture, and the first sacrifice recorded.
- What were the physical consequences for each person for eating the fruit?
  - Adam
  - Eve
  - Serpent

## **The first murder (Ch. 4)**

- What did God require as an offering?
- What did Cain do for a living?
- What did Abel do for a living?
- What offering did Cain bring to God? Was this the offering God requested as a form of worship to him?
- What offering did Abel bring to God? Was this the offering God had requested as a form of worship to him?
- What did Cain do when God rejected his offering as inappropriate and incomplete?
- What was God's response to Cain's actions?

There is a debate among Bible scholars where Cain got his wife. However, most scholars believe that she was a relative that had moved to a different area to start a family. She could have been a cousin, aunt, niece, or some other acquaintance.

- How old was Adam when he died?
- List those in the line of Cain (4:17-24)
- List those in the line of Seth.

Pause here for a moment and look at a member of Seth's family that had an awesome testimony. What was Enoch's testimony? What is God saying about your testimony?

- Who was Enoch's son? How long did he live?
- What was his testimony? Genesis 5: 24?

## **From Adam to Noah (Ch. 5).**

- List the individuals in this chapter and the number of years they lived.

## **NOAH (Ch: 6-9)**

- What was the description of the wickedness which moved God's heart?
- What did God say about Noah? (6:9)

- What was size of the Ark?
- What was the Ark made of?
- What was the outside covered with?
- How many doors did it have?
- How many pairs of each clean animal did they bring on board?
  - List several animals that the Bible says are clean.
- How many pairs of each unclean animal did they bring on board?
  - List several animals that the Bible states are unclean?
- What mountain did the ark settle on?
- What did Noah send out of the ark first?
- What did Noah send out the second time?
- What did it bring back?
- Name the people in the ark with Noah.

- What did the Lord promise Noah after the flood? What did he give as a sign of His promise?

## **The descendants from Noah (Ch. 10)**

- What does the scripture say about Noah's sons?

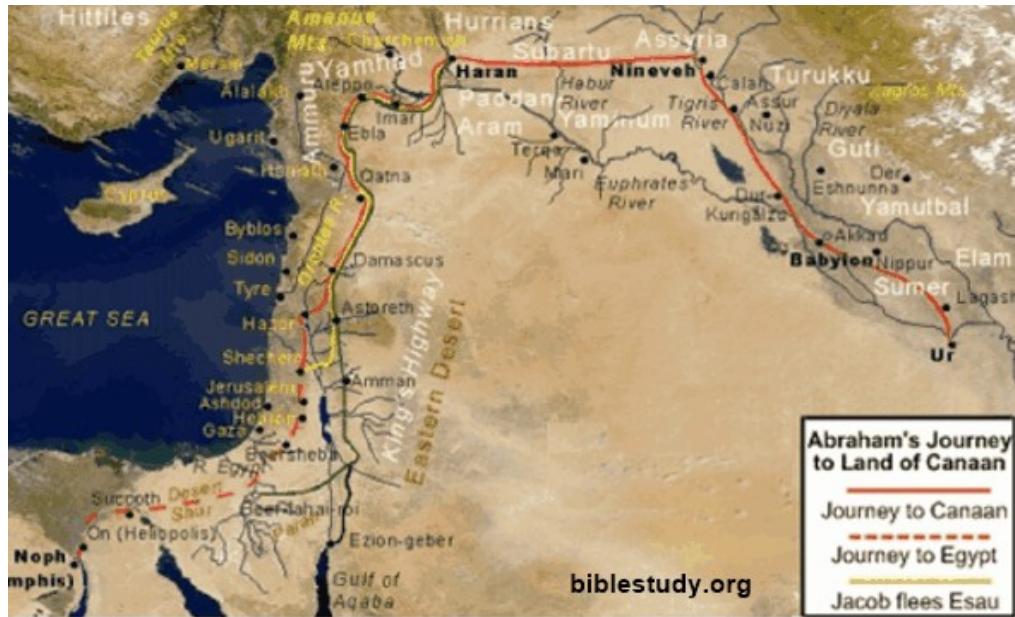

## The Tower of Babel (11: 1-9)

Interesting note: Research throughout the world finds that most ancient temples, Egyptian, Aztecs, Inca and others are similar. Many scholars believe the Tower of Babel was built in Babylon. Below is an image of what it is believed to have looked like.

- How many languages were there at the time they were building the Tower of Babel?
- Where were the people attempting to build a tower to?
- What did God say about their ability to accomplish this?
- What did God do to interfere with their plans?
- What did the individuals have to do at this point?

An interesting note I found on the [www.bible.ca](http://www.bible.ca) website. They suggest that Abraham would have been 42 years old when Noah died, and could possibly have had some personal interaction. This could explain Abram's faith in God.

## Abram (12-25)

- What was God's call on Abram's life?
- What was God's promise to Abram about his offspring?
- What was the covenant God made with Abram?

Note: "A Covenant is an agreement between two parties. The agreement, according to Ancient Near East custom, consisted of five parts: 1) Identification of parties, 2) Historical prologue where the deeds establishing the worthiness of the dominant party is established, 3) Conditions of the agreement, 4) Rewards and punishments regarding keeping the conditions, and 5) Disposition of the documents where each

party receives a copy of the agreement (e.g., the two tablets of stone of the 10 Commandments)."<sup>5</sup>

- Where did Abram go during the time of the famine? (12:10-12)
- Where was Abram from?
- Abram's name was changed to what?
- What reason did God give for changing Abram's name?
- What was the relationship between Lot and Abram?
- Who took Abraham's nephew Lot captive? (14:1-17)
- How many men did Abraham take to go get them back?
- Who did Abraham give an offering to?
- Who did King Melchizedek represent? (what city?) (14:17-21)  
64) Whose son is Ishmael?
- How old was Abraham when Ishmael was born? How old was Sara?
- As you read the story of Abraham, Sarah, Hagar, and Ishmael did everything go as planned? What were some of the negative consequences they faced?
- Who told Abram that his wife Sarah was going to have a baby in her old age?
- What did Sarah do when she overheard the news that she was going to get pregnant?
- How old were Sarah and Abram when they heard the news?
